

GET CREATIVE

Virtual Superhero Sleepover Badge Design Competition

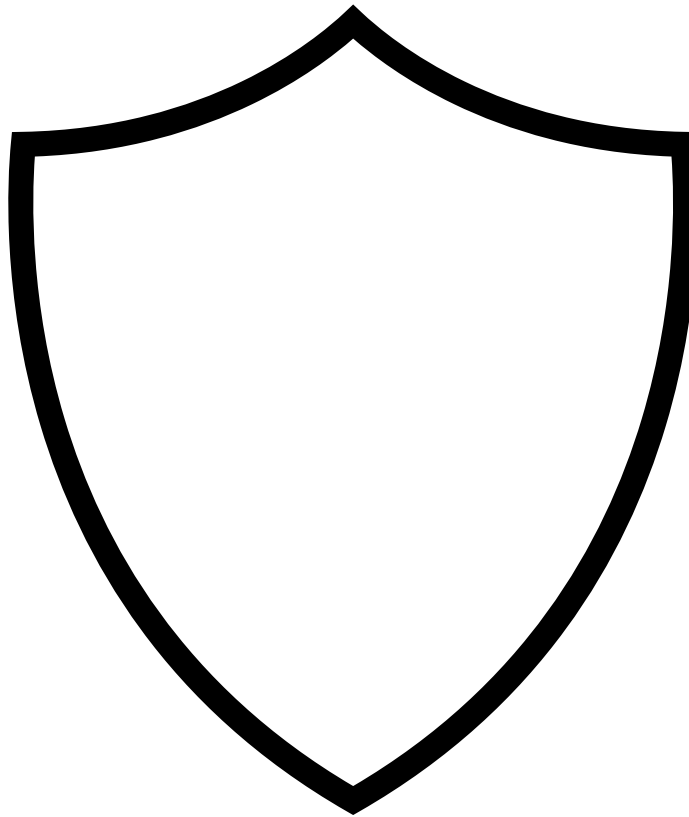

We are excited to be holding our very first virtual sleepover with the theme of Superheroes. We are challenging you to design a special camp badge and logo. Not only will the winner get to see their badge come to life - they'll also win a prize.

A camp badge should reflect many elements for the event it represents. It should be clearly linked to the events themes. Your logo and choice of colour's should then link to the district and to the theme.

You **MUST** include the terms Braintree District and Superhero Sleepover.

You **COULD** include the date, themes and try also keeping to a maximum of 4 colours to have a stronger impact.
