

COMMUNITY HEROES

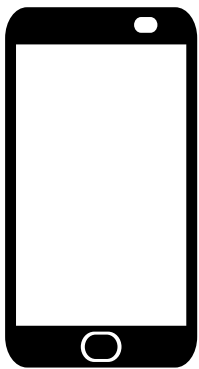

Heroes are people that we look up to. People that show outstanding qualities that we want to show ourselves. They are people that go above and beyond to help other people. Caring is one of the core values of Scouting and we want to celebrate your local Braintree Heroes.

This week we would like you to think about who your local hero is - it could be anyone that has gone above and beyond lately; perhaps a nurse or doctor, your leader, a teacher, someone who helped others during the pandemic or simply being caring and thoughtful.

They should be someone who lives or works in Braintree District and you believe deserves celebrating and recognition.

Your task - record a 30-seconds video selfie nominating the individual. Be sure to include their full name, what they do and the reasons for nominating them. Be sure to wear your scarf in the video! We will then be putting together a certificate to celebrate all nominees and deciding an overall winner!

HOW DO I ENTER MY NOMINATION?

Email your video to:
heroes@braintreedistrictscouts.com or send it via private message on our Braintree District Scouts

Facebook page.

Include the nominees full name and how we can contact them
