

TRACKING THE VILLIAN

INSTRUCTIONS

Using the traditional tracking signs why not create a trail for a member of your household to follow? This could be in the park using natural material, in your garden or inside your home using household objects. Try to include all the symbols and also make it challenging for someone to follow.

**This way
Still on
track**

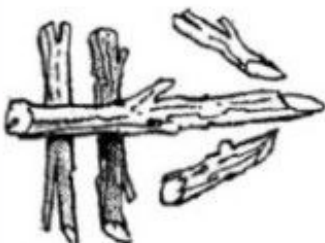

**Turn here
Follow the
arrow**

**Wrong way
Go a
different
way**

**Gone home
End of the
trail**

**Over obstacle
(two obstacles)**

**Split up
(2 left, 4 right)**

**Message here
A box and
arrow**

**Water this way
(eg stream to
cross)**
